The screenshot displays the Zoho Writer web application interface. At the top, the browser address bar shows the URL <https://writer.zoho.com/index.do>. The page header includes navigation links: Feeds | Zoho Apps | Go Offline | Settings | Help | Feedback | My Account | Sign Out (hansleroy). The main menu includes File, Welcome, Format, Insert, Review, Share, Views, Page Setup, and Mailings. The ribbon below the menu shows various editing tools like Bold, Italic, Underline, and text color options. The main content area features a welcome message: "Welcome to Zoho Writer" and "Your Word Processor on the Web". Below this, it says "Thank you for signing up with Zoho Writer!" and provides a brief overview of the application's features, such as being built with AJAX technology and offering online/offline access. A section titled "Elegant User Interface" is partially visible. The footer of the document shows metadata: Version: 1.1, Author: hansleroy, Modified: 502 days ago, Created on: Wed, Nov 25, 2009, Words: 1204, and Characters: 7054.

# Feng Office: ZOH0 en mi instituto

The screenshot shows a web browser window titled "DemoCo - OpenGoo - Windows Internet Explorer". The address bar displays "http://demo.opengoo.org/en\_us/index.php?c=dashboard&a=ind". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The page content is organized into several sections:

- Header:** "Welcome back demo (Logout) : Administration | Account | Help". A search bar and a "+ New" button are also present.
- Left Sidebar:**
  - Workspaces:** A list of workspaces including "BandOffice", "demo\_personal", "sviluppo", "Workspace 1", and "Trash".
  - Tags:** A section for filtering tags, currently showing "Workspace 1 (6)" and "search engines (1)".
- Main Content Area:**
  - Overview:** A navigation bar with icons for "Notes", "Email (BETA)", "Contacts", "Calendar", "Documents", and "Tasks".
  - All workspaces:** A heading with a "View as list" option.
  - Upcoming events, milestones and tasks:** A calendar view showing events for the week of Sun 22 to Sat 28. Events include "Alege so", "Testing", "Get coffee f", "W1: Joe: O", "Need to talk", "este simplu", "Someone's", and "jkjnkjnkjn".
  - Pending tasks:** A section for tasks, currently empty.
  - Documents:** A list of documents with columns for workspace, filename, and an "Edit" button. Documents include "BandOffice testing document for BandOffice.html", "demo\_personal ggg.html", "demo\_personal test987.html", and "demo\_personal T04\_b\_ProjectDescription.ppt".
  - Notes:** A section for notes, currently showing "demo.../fasdfasdfsdf Test01".
  - Latest comments:** A list of comments, including "Someone's B-Day. Congrats !!1 Sure I will be there", "Google Link This is cool though...", "Google Link Good I did not know that !!", "testing document for BandOffice.html Ok now what can we do here?", and "Test01 This is a comment".

At the bottom of the browser window, the status bar shows "© 2009 by DemoCo. All rights reserved" on the left, "Powered by OpenGoo 1.3" on the right, and "Internet | Protected Mode: On" in the center. The zoom level is set to 100%.

The screenshot shows a web browser window titled "hlrnet.net projectruimte - Windows Internet Explorer". The address bar shows the URL "http://www.hlrnet.net/project/index.php?". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The page content is for "hlrnet.net projectruimte" and includes a navigation menu with "Companies", "Projects", "Tasks", "Calendar", "Files", "Contacts", "Forums", "Tickets", "User Admin", and "System Admin". A user greeting "Welcome Hans Le Roy" is visible, along with links for "Help", "My Info", "Todo", "Today", and "Logout". The main section is titled "Day View" and shows a calendar for "Saturday, 19/09/2009". Below the calendar, there are tabs for "Events", "Tasks", and "Projects". A "Show Todo for:" dropdown is set to "Le Roy, Hans". A "Show:" section contains several checkboxes: "Pinned Only", "Archived Projects", "Projects on Hold", "Dynamic Tasks", "Low Priority Tasks", and "Empty Dates". A table with columns "Pin", "Progress", "P", "Task / Project", "Start Date", "Duration", "Finish Date", and "Due In" is displayed. A key below the table explains the colors: white for "=Future Task", light blue for "=Started and on time", yellow for "=Should have started", and red for "=Overdue". The browser's status bar at the bottom shows "Done", "Internet | Protected Mode: On", and "100%".
